1500 South Road Project/Sewer Manhole Improvements:

Dean Gibbs stated Naples City contacted him regarding the 1500 South paving project. Naples City is 36 going to pave or chip seal a section of the road on 1500 South from 2000 East to the lift station at 37

approximately 2850 East and inquired if the Board would cover the expense for the cement manholes 38

rings along that section. Each manhole would be in the amount of \$2,300.00 for 12 cement manhole inserts 39 for a total of \$27,600. Naples City stated the bid for paying was over the budgeted amount for the project

and asked if the Board would be willing to contribute to the project. After further discussion with the Board,
